

Changing Everything Takes Everyone: The People's Climate March Pre-Rally

When: Saturday, September 13, 4-6 pm

Where: Community Mennonite Church, 70 S. High St., Harrisonburg, VA

On Sept. 20-21, world leaders will convene at the UN in New York for a summit on climate change. Ten's of thousands of ordinary citizens but extraordinary people will be there too, for the People's Climate March, spurring these leaders to lead.

Why? To paraphrase environmentalist Bill McKibben, to change the system "that's powering our destruction" it's going to take a lot more than changing our light bulbs. It's going to take the collective will of masses of us, in the streets and in the halls of power, demanding effective climate action and not taking "no" for an answer.

Join Harrisonburg-area neighbors of all faiths, colors, and persuasions for climate-action coalition building on Sep. 13.
