Ms. Laura Dansby, Chair  
Climate Action Alliance of the Valley  
4060 Walnut Hill Drive  
Keezletown, Virginia 22832

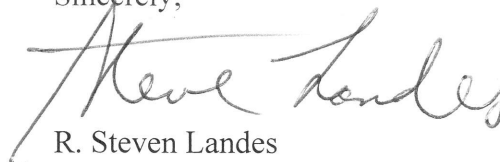

Dear Laura:

Thank you for your legislative survey. I understand your interest in obtaining information from all of the candidates on issues of importance. Unfortunately, due to the volume of such requests I receive, I am not able to address every one. Additionally, due to the survey questions or interpretation of the survey answers provided, my positions may be misconstrued. I am not suggesting that this may happen with your survey, but I have adopted the policy of letting my voting record speak for me, rather than completing every questionnaire received.

For the past 19 years I have taken thousands of votes on a variety issues for which I can be held accountable. If you examine my record, you should be able to easily discern my past positions.

Thank you for understanding. If any of your members who are residents of the 25<sup>th</sup> House District wish to meet to discuss the issues, I am happy to do so. If you wish to discuss any legislative matter with me, or if you have any questions about my position, please do not hesitate to contact me.

Sincerely,
